xpedx Joins MacDermid Distribution Team

Atlanta, Georgia – May 2, 2011: MacDermid Printing Solutions announced today that effective May 1, 2011, xpedx® will distribute MacDermid's photopolymer plate products and equipment in the United States. With the addition of xpedx to its distribution roster, MacDermid is now represented in distribution via two outlets: xpedx and JV Imaging Solutions, Inc.

MacDermid offers the industry's broadest range of photopolymer technologies. MacDermid's full range of products encompasses both analog and digital plate imaging technologies as well as solvent and thermal plate development processes.

"MacDermid strives to offer its customers a choice – a choice in plate technology as well as a choice as to where to buy their plates. xpedx's sales and marketing expertise combined with their strong distribution network make them the perfect choice," said Scot Benson, Vice President and General Manager at MacDermid Printing Solutions.

"xpedx is committed to providing customers with quality options in plate technology. MacDermid's breadth of inventory helps xpedx provide customers with the right solution for a variety of applications," said Dennis Killion, director of Marketing, Graphics, xpedx.
